OBJECTIVE

Interaction Designer with a strong foundation in UI/UX Design, ready to craft visually stunning and user-friendly websites to deliver impactful online experiences.

EXPERIENCE

Office of Equity - Student Assistant

Mar. 2025 - Present

College of San Mateo - San Mateo, CA.

- Design posters and promotional materials highlighting influential figures to raise awareness and celebrate diversity at the Pride Center.
- Develop strategies and initiatives to increase engagement and attract visitors to the Pride Center.
- Manage reception duties by greeting visitors, providing information about the center's services, and assisting with sign-ups and questions.

Visual Designer

Nov. 2024 - Present

Menlo Studio - Redwood City, CA.

- Develop and design visual concepts and graphics for both digital and print mediums.
- Create designs that enhance user experience with a keen understanding of usability and user interface design.
- Use design to solve complex communication challenges and enhance the brand presence of the Digital Art & Animation program at Cañada College.

ESL Embedded Tutor - Student Assistant

Aug. 2024 - Dec. 2024

College of San Mateo - San Mateo, CA.

- Assisted ESL students in improving their writing skills under the professor's guidance by reviewing essays and providing feedback on grammar, structure, and organization.
- Supported the professor by preparing slides, managing Canvas resources, and handling other administrative tasks as needed.
- Guided students in writing effective introductions, conclusions, and cohesive paragraphs to strengthen their academic writing and critical thinking.

EDUCATION
